VERIFICATION OF VEHICLE

NOT TO BE COMPLETED BY APPLICANT

To be acceptable by DMV, this form must be legible, hand printed in black or blue ink, and completed **IN FULL** by an authorized DMV representative, California licensed vehicle verifier, authorized auto club employee, or peace officer who has been properly trained to perform vehicle verifications, while PHYSICALLY inspecting complete and assembled vehicles. See reverse for additional information and verifier restrictions. WARNING:

Any missing sections, alterations, cross-outs, or erasures (even when initialed) will void this form and a new verification must be completed. Mark all areas/sections which do not apply as non-applicable (N/A); do not leave blank. All numbered sections (1-9) below must have at least one box checked in each section. The vehicle may also be subject to verification by the California Highway Patrol (CHP).

VERIFICATION OF VEHICLE

SIL

NOT TO BE COMPLETED BY APPLICANT

To be acceptable by DMV, this form must be legible, hand printed in black or blue ink, and completed **IN FULL** by an authorized DMV representative, California licensed vehicle verifier, authorized auto dub employee, or peace officer who has been properly trained to perform vehicle verifications, while PHYSICALLY inspecting complete and assembled vehicles. See reverse for additional information and verifier restrictions. WARNING: Any missing sections, alterations, cross-puts, prefasures (even when initiated) will void this form and a security of perform vehicle of the neurophysical sections.

Any missing sections, alterations, cross-outs, or erasures (even when initialed) will void this form and a new verification must be completed. Mark all areas/sections which do not apply as non-applicable (N/A); do not leave blank. All numbered sections (1-9) below must have at least one box checked in each section. The vehicle may also be subject to verification by the California Highway Patrol (CHP).
